

Take your first step toward eliminating foot pain and gaining the mobility you deserve.

**Our goal is to educate you about how your feet are functioning and how we can improve their function. We will also teach you how to fit a shoe for better comfort.**

**Our custom orthotics make a considerable difference in the lives of our customers. If you're experiencing foot pain, we're here to help! Whether you want to eliminate your foot pain and discomfort or be proactive about your foot health, we will make a difference. Don't be duped by today's hype when other companies claim to eliminate your pain.**

**You can only get a good fit when you get a WalkEZ fit, and we guarantee it! With our 90-day custom orthotic money-back guarantee, you've got nothing to lose but your pain.**

**Kathy Carandang**  
FOUNDER

Kathy Carandang is a board-certified podiatrist with over twenty years of experience helping people overcome the effects of improperly-fitted footwear, which is usually at the root of their pain issues. She believes that shoes don't have to be ugly to feel good. She knows that great-fitting footwear and her ezWalker® custom orthotics can give you better balance and stability and reduce pain and discomfort in your feet, knees, hips, and lower back.

**"When your feet feel good, YOU feel good!"**

**Custom Orthotics for Proper Foot Function**

**Proactive and Reactive Foot Health Care**

**Custom Shoe Fittings and Education**

**Shoe Modifications**

**Recycling of Old Footwear**

Don't let your shoes go to the landfills. Repurpose them!

**Make your feet happy when they WalkEZ!**

# Custom Orthotics for ANYBODY, ANYWHERE!

Our products have proven to improve the biomechanical function of your feet. No matter what your foot type is, we will help your feet move better and become healthier over time. There is nothing magic when it comes to exercising back to health. So, with daily use of our ezWalker® custom orthotics, you will simply exercise your feet with every step you take, gaining better mobility and overall postural health.

Our custom orthotics are designed to meet the needs of your two individual unique feet for the best foot function possible. Our 3/4 length design makes them EZ to move from shoe to shoe, no matter the shape of the shoe. Full-length orthotics can't do that. We'll help you have a wide variety of footwear with the best support possible. Wear your ezWalker® in all the shoes you want to wear!

Our ezWalker® custom orthotics can help people of all ages, from first-time walkers to older people with mobility difficulties, and everyone in between! We help everyone have better functioning feet.

## 90-Day Money-Back Guarantee

We believe so strongly that you'll love your custom orthotics that we offer a 90-day money back guarantee with every set. We know from experience the relief and benefits that our product brings, and we know you'll love the results. Give us a try and let the results speak for themselves. Use our no-risk guarantee to find the relief that you've been looking for.

## ULTRA THIN

This ultra-thin profile provides the support you need with the versatility of use in all your footwear, not just your athletic shoes.

## VERSATILE

We'll get all your shoes to work with our ezWalker® custom orthotics, so you can have the look you want and the comfort you deserve.

## TRANSFERABLE

Our ezWalker® custom orthotics EZ'ly transfer from shoe to shoe, so you never have to go without the feel and fit you've grown accustomed to.

With our multi-pair discounts, you can have as many as you desire, making it convenient and affordable. When it's time for a new pair, we refurbish your old orthotics to a new mold, saving you money while also saving our planet. It's recycling at its best!

## COMFORTABLE

Experience the difference with ezWalker®. Get maximum comfort and powerful results. We'll even custom-fit your slippers. Comfort is our game!
